INVITATION

We kindly invite you to 61st IFC Portoroz 2021 that will take place together with foundry exhibition from 15th to 17th September, organized by Slovenian foundrymen Society with so organizers: Faculty of Natural Sciences and Engineering, University of Ljubljana and Faculty of Mechanical Engineering, University of Maribor, under motto:

"Innovative solutions for the future of foundry"

The conference in Portoroz has been for full 6 decades, a traditional crossroad of foundry science and profession – respected lecturers from universities, institutes, foundry companies and foundry associations and societies around the world, that every year present a current themed lecture. Foundry exhibition is attended mainly by foundry suppliers, foundries, tool shops, science institutes, technical magazines and fair organizations.

We successfully executed the 60th IFC Portoroz 2020 in person to a great satisfaction for all the participants. Portoroz climate successfully opposed the coronavirus. All the participants of the conference responsibly arrived healthy and arrived home healthy after 3 days too.

We hope and strongly wish that same will be possible in Portoroz in September 2021. Therefore, we kindly invite you to join us as a lecturer, exhibitor or just participant on the conference. Everyone is welcome!
