Dear participants,

we have decided to make some changes regarding the exhibition spaces this year - all exhibitors will stay on the same floor, for we have decided to disregard the exhibition spaces in the basement, because some participants were not pleased with them in the past two years. Furthermore, we combined the halls (James Cook, Roald Admunsen/Robert Scott) where the conference lectures used to take place, into an additional exhibition space, and moved the lecture hall locations (to halls Amerigo Vespucci and Vasco da Gama).
