INSTRUCTIONS FOR ATTACHING ADVERTISING POSTERS OWNED BY THE EXHIBITOR

****PANELS MUST BE CLEANED TO THEIR INITIAL CONDITION AFTER THE FINISHED EXHIBITION!****

OPTIONS:

1. Posters in paper printed form: stick these types of posters with double-sided adhesive tape, which must be removed after the finished exhibition.
2. Graphics on self-adhesive foils: print these on a better foil, namely the so-called "removable" foil, which must be removed after the finished exhibition.
3. Graphics on hard bases: e.g. Kappa panels, which have hangers on the back side, can be hung on brackets at the top of the panel wall with string. Brackets must be specially ordered from the organizer of the Conference, where 1 piece costs 5.00 EUR (VAT included).
4. Graphics on hard bases: e.g. Forex panels can be stuck with double-sided adhesive tape, which must be removed after the finished exhibition.

IMPORTANT

In the case that you do not clean the panels to their initial condition after the finished exhibition, the individual exhibitor will be charged 40.00 EUR per 1 piece of panel (VAT included). In the case that you do not clean the upper horizontal slats, you will be charged 20.00 EUR per running meter (VAT included).
